## WORK EXPERIENCE

*May '11 - Sept '11*

### **Design Intern at the Myrtle Beach Chamber of Commerce**

Interned with Colleen Balzotti at the Myrtle Beach Chamber of Commerce. Tasked with creating multiple logos for future events located around the grand strand as well as the tournament banners for various sports.

*Jan '12 - May '12*

### **Designer for Tempo Magazine**

Designed feature articles for Tempo Magazine.

*Aug '12 - May '13*

### **Assistant Art Director of Tempo Magazine**

Designed spreads and articles during production.  
Aided with final edits and critiques before print.  
Managed and facilitated communication between designers and editors.

*Jan '13 - Dec '13*

### **Designer for Lusca Studio**

Designed for Coastal Carolina University's pre-professional studio.  
Lead Designer and production manager for Tapestry, an annual magazine for the College of Fine Arts and Humanities.  
Designed a parallax site for the Athenaeum Press's first publication, The Paper Canoe.

*Sept '09 - Current*

### **Tech Specialist for Student Computing Services at Coastal Carolina University**

Employed to diagnose and repair student and faculty computers. In addition, I am responsible for maintaining the student labs around campus and helping students with miscellaneous problems.
